A complete end-to-end self-service innovator, Meridian's turn-key solutions are designed and manufactured from our headquarters in North Carolina. By building all of our products from start to finish, we're able to provide greater efficiency and leaner, high-quality products faster than anyone else in the industry.

## QUALITY + CERTIFICATION

Meridian promises a level of quality that goes beyond the expected. We control every step of our process from concept to completion, overseeing quality, design, cost and timelines. Our products can be UL Listed through UL self-certify and our processes are ISO 9001:2015.
